

Mason Doors & Accessories

Kenl-Dors®

Wall-Mounted Kenl-Dors

Panel-Mounted Kenl-Dor

Considered the industry's most efficient vertical lift doors, Mason Kenl-Dors accommodate a variety of kennel needs. Wall Mounted Kenl-Dors can provide controlled indoor-outdoor dog access. Panel Mounted Kenl-Dors can be mounted to any Mason back panel or division panel. All Kenl-Dors glide easily in specially designed, heavy-duty aluminum channels.

Rest Benches

Dogs love rest benches! Mason rest benches keep dogs clean and comfortable off wet or soiled floors and drains. Our rest benches are constructed of the highest quality aluminum or Gatorshield® structural steel tubing, in both swing-up and freestanding styles. Ideal for Mason Isolation Kennels, our swing-up rest benches allow easy drain access and cleaning by kennel staff.

Available Sizes

Regular – 18” wide x 36” long x 6” high • **Large** – 24” wide x 36” long x 6” high

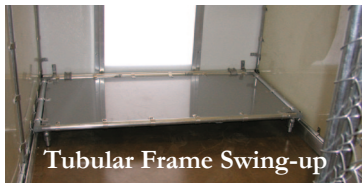

Extra Large – 24” wide x 48” long x 6” high • **Custom sizes available.**

Tubular Frame Rest Bench

Rugged, functional and built to last, Gatorshield® structural grade steel tubing prevents rest bench damage from chewing or being overturned. The resting surface is durable, easy care 1/4” gray ABS plastic. Available in Freestanding and Swing-up styles.

FRP Rest Bench

Dogs love rest benches! Mason rest benches keep dogs clean and comfortable, and off of wet or soiled floors and drains. Our rest benches are constructed of the highest quality aluminum or Gatorshield® structural steel tubing, in both swing-up and freestanding styles. Ideal for Mason Isolation Kennels, our swing-up rest benches allow easy drain access and cleaning by kennel staff.

Raised Floors

Dogs stay comfortable on this raised flooring that provides excellent air flow. Steel core coated with an 1/8” thick, plastisol creates a cozy surface that allows waste to fall through or be hosed away. Flooring can be furnished with legs or suspended on angles attached to kennel walls. Call for design assistance and pricing.

Shade-A-Pup™

Provides cool comfort during the “dog days” of summer. Shade-A-Pup kennel shade cloth is made of tough, dark green, UV-treated polypropylene fabric. Blocks out 78% of the sun’s hot rays, yet allows air to circulate freely.

Automatic Waterer

Nelson Model 1200

Ensures continuous water supply. Rugged stainless steel construction with brass float valve and polypropylene float.

Size:

10” long x 8 1/2” wide
x 5 3/4” high

KennelClean™

KennelClean is a concentrated germicidal detergent formulated to disinfect, clean, and deodorize animal kennels. Non-corrosive to stainless and galvanized steel, aluminum, and fiberglass. Dilute as directed.

KennelShine™

KennelShine concentrate cleans metals in animal enclosures by removing dried-on proteinaceous materials, tissue, mucous, feces and oily residue. KennelShine is not a disinfectant. Dilute as directed.
