Finally, an Enclosure Purrfect for Cats!

When it comes to cats, variety is the spice of life. That’s why we added new litter pan and luxury play top options to our Raintree™ Cat Condo. Inspired by cat enclosures at the famous Raintree Pet Resorts in Scottsdale, Arizona, our Cat Condos come with amenities designed especially for finicky felines. Standard features include a built-in feeding/watering ledge, a resting ledge and a privacy panel for the litter area.

Each condo consists of a top and bottom unit with coated wire mesh doors for healthy air circulation, or with optional tempered glass doors and internal air ducts. Condos may be positioned as stand alone, side-by-side or back-to-back. Optional portholes enable you to create a multi-unit luxury run for one cat or communal boarding for multiple cats from one owner.

With Raintree Cat Condos, you’ll get quality, beauty, and convenience – at surprisingly affordable prices. That’s bound to keep you and the cats in your care purring in contentment.
